

Hello,
My name is Katarzyna Nowak.

I am from Poland and I am
going to show
our capital **WARSAW**.

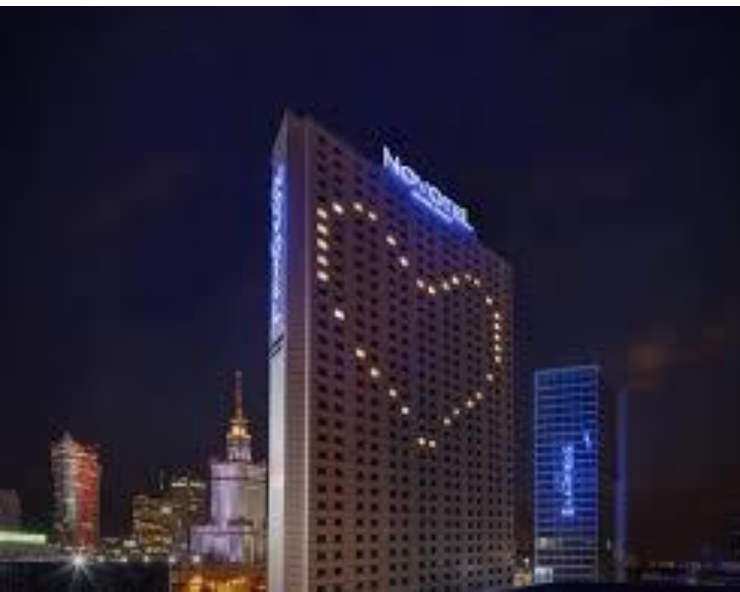

At the beginning of the
presentation we will
locate Poland.

The capital of Poland is Warsaw, with 1.86 million inhabitants.

WARSZAWA

The University of Warsaw
has been cooperating with
the Erasmus + program for
over 25 years.

This university offers
approximately 180 study
programs in approximately
60 faculties.

I will show you
interesting
places, monuments,
culture and
gastronomy.

PALACE OF CULTURE

Built in 1952-1954.

It includes, among others
Sala Kongresowa, Polish
Academy of Sciences.

In the city center, we will see modern glass and steel business skyscrapers

OLD TOWN

The showpiece of Warsaw is the Old Town, beautifully rebuilt after numerous damages during World War II. They were reconstructed according to old plans, built almost from scratch from the rubble left over from the war.

CASTLE SQUARE

The most associated attractions with Warsaw.

The original monument was built in 1644 on commission King Władysław IV Waza in “hello father”.

ROYAL BATHROOM

The park takes its unusual name from the bathhouse built in XVII century. It was here in the famous Palace on the Island, that King Stanisław August Poniatowski gave his Thursday dinners.

Royal Castle

Rebuilt from scratch after destruction of the war, the Royal Castle is one of the most visited attractions in Warsaw.

Multimedia Fountain Park

Warsaw Uprising Museum

The interior of this monumental Museum resembles the streets of war-torn Warsaw, and the rooms are arranged according to the chronology of events.

Museum of the History of Polish Jews

Copernicus
Science
Center

Museum of King Jan III's Palace at Wilanów

A palace on winter
nights and the
surrounding gardens
are decorated
thousands of lights
on different
topics.

Presidential palace

National Museum

It is worth seeing the colorful painting Bitwa pod Grunwaldem (Matejko).

Mokotowskie Field

MERMAID

The symbol of the capital, visible in his coat of arms, is siren - that is half woman, half fish.

NATIONAL STADIUM

We can explore the city and its surroundings by renting a bicycle or an electric scooter

MUSEUM OF THE WORLD OF ILLUSIONS

The Museum of the World of Illusions, equipped with various optical illusions, paradoxical or paradoxical phenomena.

PHOTOPLASTICON

Photoplasticon was a device popular at the turn of the 19th and 20th centuries, which made it possible to view changing three-dimensional photographs.

INVISIBLE EXHIBITION – NIEWIDZIALNA WYSTAWA

The attraction is to find your way around and get to know everything around in complete darkness, using only the help of blind guides and your own senses to deal with various situations such as buying a ticket and much more. This place has been operating in Warsaw since 2011.
