**UKRAINE 22**

## OUR PROJECT

Confronted with a large number of refugees, USIR designed a strategy in March 2022. This was the beginning of **UKRAINE 22** Project.

Participants - 7 clubs

### Main targets -

- to offer essential items (clothes, hygiene products, accommodation, medical and psychological support)
- to facilitate integration - language lessons, school, holidays
- to help women and children to build a life of their own in Romania without losing their identity.

### Stages

1. Fundamental needs
2. Education & entertainment
3. Education and cross-cultural communication

*Stage 1 Fundamental needs (Hygiene products, clothes, essential food) – Backpacks (shopping & distribution)*

# Stage 2 Entertainment and education

## *Stage 3 - Education and cross-cultural communication*

*Robots*

*Language lessons*

*We hope that these images impressed you and clearly expressed the efforts of **Romanian SI Clubs** for cross-cultural communication and education .*
