

## Rastao Sam Pored Dunava

Rastao sam pored Dunava  
pored dobrih starih Alasa  
lovio sam šarane  
ispraćao brodove  
I snivao snove daleke

lovio sam šarane  
ispraćao brodove  
i snivao snove daleke

Dunave, dunave  
kraj tebe mi srce ostade  
Dunave, Dunave  
kraj tebe mi srce ostade

Plovio sam belim lađama  
morima i mnogim rekama  
al' đerdapske klisure  
i dunavske obale  
U srcu su mome ostale

al' đerdapske klisure  
i dunavske obale  
u srcu su mome ostale

Dunave, dunave  
kraj tebe mi srce ostade  
Dunave, Dunave  
kraj tebe mi srce ostade

Kada bi se opet rodio  
Dunavom bi opet plovio  
pevao bi curama  
sto rastu kraj Dunava  
I mahao belim lađama

pevao bi curama  
sto rastu kraj Dunava  
I mahao belim lađama

Dunave, dunave  
kraj tebe mi srce ostade  
Dunave, Dunave

## I grew up near Danube

I grew up near Danube  
near good old Alas  
I was hunting carps  
saw off ships  
dreaming extraneous dreams

i was hunting carps  
saw off ships  
dreaming extraneous dreams

Danube, Danube  
my heart has left with you  
Danube, Danube  
my heart has left with you

I sailed white vessels  
(on) many seas and rivers  
but the Đrdap gorge  
and the banks of Danube  
in my heart they have left

but the Đerdap gorge  
and the banks of Danube  
in my heart they have left

Danube, Danube  
my heart has left with you  
Danube, Danube  
my heart has left with you

if I were born again  
I'd sail Danube again  
I'd sing to girls  
that grow up near Danube  
I would waft to white vessels

I'd sing to girls  
that grow up near Danube  
I would waft to white vessels

Danube, Danube  
my heart has left with you  
Danube, Danube

kraj tebe mi srce ostade

my heart has left with you
