

WHEN I'M WITH YOU

Music: Misho Vaklinov

Text: Stamenka Hristozova

Arrangement: Romyana Raykova - Kostova

1. Can't minutes become hours,

when I'm with you?

Let your words be tender verses,

when am i with you

2. Can't you give me your warmth,

when I'm with you?

Let good light shine in your eyes,

when am i with you

Chorus: Don't say, just don't, don't say no!

Love me! Love me,

when I am with you, with you even, love me!

3. Can't you, can't you help me,

when I'm with you,

to enter your world of thoughts and dreams,

when I'm with you!

Chorus: Don't say, just don't, don't say no!

Love me! Love me,

when I am with you, with you even, love me!
