# G – Generationen

**“A Society for all** is one that adjusts its structures and functioning, as well as its policies and plans, to the needs and capabilities of all, thereby releasing the potential of all, for the benefit of all.

**A society for all ages** would, additionally, enable the generations to invest in one another and share in the fruits of that investment, guided by the twin principles of reciprocity and equity.” UNO1995

# **G** – Generationen

## **A Message für Young people:**

Enthusiasm, flexibility, humor and sticking to one's ideas in order to implement them!
